Look at the canvas from Oscar Murillo's Frequencies exhibition [here](#)

A) Find and select a shape from one of the canvas

B) Use: a pen and paper

To create:

A drawing

A Poem

A Letter

C) Questions for exploration:

- What does this shape remind you of?

Take 20-30 mins (in your local park, a shop or another space) and think about:

- What do you see in your surroundings that are made up of the shape?
- How can the shape you see around you inspire your creation?

D) Share your creation and the canvas you selected from Oscar Murillo's work with someone.

See if they can guess what shape you selected?
